25X1 12. [] In the course of a couple of phone conversations 25X1
Jay Sourwine, Senate Internal Security Subcommittee staff, pressed for
the appearance before that Subcommittee at an early date of the []
25X1 [] I explained to Sourwine that the House Committee on Un-American
Activities had made the first bid [] appearance and according to the 25X1
established ground rules it was a case of first come first served. Sourwine
complained the House Committee had gotten the last four or five such
25X1 [] and the Subcommittee felt neglected. He further argued that all
the Senate Subcommittee wanted to talk to [] 25X1
and this presumably would not overlap anything the House Committee was
interested in. I said I didn't think [] --that his main 25X1
contribution concerned [] matters. However I said I would see what
could be done.

25X1 I have since talked to DD/P officers concerned who see no major
difficultly in surfacing [] one or the other of the Committees in the
fairly near future. I will therefore go back to Sourwine and try to leave it
up to him to resolve the matter of the prior claim of the House Committee.
